

**BIO: Patrick Woody**

Patrick Woody is Senior Strategist for Regulatory Risk Compliance at RiskAdvisory, a division of SAS. Prior to this position, he served as Risk Practice Specialist in energy, utility and commodity risk management within SAS. He has more than 17 years of management experience in the capital market back-offices of Wells Fargo, Societe Generale Bank and the Union Bank of Switzerland's international banking operations. He was the Product Director for the Asia Pacific operations of a leading technology company where he brought to market country-specific compliance and forensic control solutions. His capital market background includes global project management roles for major regulatory mandates such as the introduction of the Euro currency, OFAC anti-money laundering, Patriot Act compliance and trading regulations.
